St Paul's News

JESUS CHRIST | SPIRITUALITY | COMMUNION | TRADITION

This Week's Service

President: Archdeacon Allan Paulsen

Date: Sunday 7 June 2026

All are welcome at St Paul's

"we love because God first loved us" (1 John. 4:19). We believe in the inherent goodness of all people - that the divine dwells at the heart of all living things. We believe the whole world is sacred and so we seek to celebrate God's presence among us with joy.

St Paul's is an inclusive church, welcoming all and offering equal opportunities for those seeking an authentic spiritual community.

We acknowledge the traditional custodians of this land, the Quandamooka people and their elders past and present. We honour the connection the traditional custodians have with this place

Mothers' Union News

Ailsa Gill joined members from Mothers' Union branches to attend the 31st *Fishes and Loaves* Fundraiser at St John's Cathedral.

This year's event supported the MND and Me Foundation, a Queensland charity committed to ensuring that no one faces Motor Neurone Disease (MND) alone. The Foundation provides urgent, practical support, including care, equipment, and assistance, at no cost and regardless of postcode, supporting Queenslanders from Cooktown to Coolangatta. For 15 years they have remained dedicated to two core goals: to care and to cure, funding vital MND research and walking alongside families during the hardest seasons of their lives.

The need remains great, and the Foundation receives no government funding, relying entirely on community generosity. As part of their 2026 Tax Appeal, they remind supporters that *"your donation has a powerful and direct impact on people facing arguably the most difficult fight of their lives."*

If you would like to contribute to their work, donations can be made here:

Matthew 9.9-13, 18-26 "...Matthew weaves together two stories of healing: a woman who has suffered with a flow of blood for twelve years, and a twelve-year-old girl who lies at the point of death... in both moments Jesus refuses to accept that these lives are beyond hope," says Archbishop Jeremy Greaves
